Mr. /Madam President

Mr. /Madam Speaker

On the occasion of the 147th IPU Assembly due to be held in Luanda (Angola), I am pleased to inform you that the APA Secretariat , as per the past usual practices, will hold a coordination meeting on the sideline of the upcoming Assembly. This event will take place at **15:00 pm on Monday, 23 October 2023**

As an established practice, this side event is being held pursuant to the **APA Resolution, APA/Res/2008/07, dated 29 November 2008** regarding cooperation and coordination on major important international issues of interest to the APA Member Parliaments at IPU Assemblies. It is highly appreciated if it would be possible for your Excellency to attend at this Meeting or otherwise assign at least one member of your IPU delegation to Luanda to represent you at this event at this meeting.

No doubt, APA Coordinating Meetings alongside the IPU Assemblies is a concerted parliamentary effort for wider contribution of the APA Member Parliaments to further close their ranks to take collective measures in respect of the issues of common interests. Therefore, we are looking forward to witnessing active participation and contribution of your Excellency at this event for fruitful consultation and sharing views on parliamentary issues. Please accept, Excellency, the assurances of my highest consideration.
