## Secretary-General

No. SG/2020/58

Date: 4 November 2020

**His Excellency,  
Mr. Ahmed Bin Abdullah Al Mahmoud,  
Speaker of the Shura Council of the State of Qatar**

**Excellency,**

It is my honor to extend to your Excellency the most sincere congratulation on your re-election as the Speaker of the Shura Council in its new term of legislature.

During recent years, the Shura Council has spared no efforts to promote its status as part of the mandate to play a more active role in support of parliamentary diplomacy at regional and international levels.

Affiliation to the Asian Parliamentary Assembly as full member and successful organization of the 140 IPU Assembly in Doha last year, which ended with adoption of a presidential statement on parliamentary diplomacy are two prominent examples of how Parliament of your country is determined to strengthen parliamentary dimensions of international cooperation.

In light of the foregoing, I hope to witness further enhancement of cooperation between the APA and the Shura Council, most particularly following containment of the global pandemic which has severely impacted our lifestyle in every aspect.

Please accept, Excellency, the assurances of my highest consideration.

Best Regards

**Mohammad Reza Majidi  
Secretary General**
