**Excellency,**

We are deeply shocked to hear the tragic news of the fatal terrorist attack Saturday on an education center in Kabul, which claimed scores of Afghan students to once again fall victim to the blind terrorism.

On behalf of my colleagues and myself, I hereby sincerely express my heartfelt sympathy to your Excellency, your colleagues in the parliament, people of Afghanistan and most particularly to the families of the victims of this horrific terror attack.

Asian Parliamentary Assembly strongly condemns this inhuman act of terror targeting innocent students and hope that its perpetrators are brought to justice.

Please accept, Excellency, the assurances of my highest consideration.

Best Regards
